(9) This Act applies to a support order filed with the Director pursuant to subsection (8).

(10) All maintenance orders that are being paid to or through the Family Court or that are being enforced by the Family Court on the coming into force of this Act, are deemed to be filed with the Director.

(11) All maintenance orders made prior to the coming into force of this Act, that are not being paid to or through the Family Court or that are not being enforced by the Family Court on the coming into force of this Act may be filed with the Director pursuant to this Section. 1994-95, c. 6, s. 10; 2002, c. 9, s. 59; 2004, c. 40, ss. 16, 17; 2015, c. 44, s. 54; 2016, c. 24, s. 5.

Decision by Director not to enforce order

11 (1) The Director may decide not to enforce a maintenance order or a part of a maintenance order where

- (a) it appears to the Director that the recipient is taking measures to enforce the maintenance order, without the Director's consent;
- (b) the order is for an amount less than an amount prescribed by the Director;
- (c) the recipient accepts payments directly from the payor in relation to the maintenance order;
- (d) the recipient fails or refuses to provide information to the Director that the Director requires in order to enforce the order;
- (da) the amount of the support or maintenance cannot be determined from the face of the maintenance order or it is dependent on another variable that does not appear on the maintenance order;

(e) the Director determines that it is not advisable to enforce the maintenance order; or

(f) there is doubt or ambiguity on the part of the Director concerning the force, effect or meaning of the order.

(2) Where, pursuant to subsection (1), the Director decides not to enforce a maintenance order or a part of a maintenance order, any person may enforce the maintenance order or the part of the maintenance order not being enforced by the Director. 1994-95, c. 6, s. 11; 1998, c. 30, s. 2; 2016, c. 24, s. 6.

Withdrawal of order from enforcement

12 (1) A recipient or payor may apply, in writing, to the Director to have a maintenance order withdrawn from enforcement by the Director.

(2) Where a maintenance order has been assigned by the recipient to the Department of Community Services, the recipient or the payor may not apply to have a maintenance order withdrawn from enforcement pursuant to subsection (1) unless the Minister of Community Services consents, in writing, to the withdrawal.

(3) The Director, in determining whether to grant an application pursuant to subsection (1), shall make the determination on the basis of what is an effective method to ensure compliance with the order and having regard to the best interests of the parties and any beneficiaries under the order. 1994-95, c. 6, s. 12; 2004, c. 40, s. 17.

Resuming enforcement of withdrawn order

13 Where a maintenance order has been withdrawn from enforcement pursuant to Section 12, a recipient or payor may apply to the Director to have the enforcement of the order resumed and the Director shall resume enforcement of the order unless the Director exercises the discretion referred to in subsection 11(1). 1994-95, c. 6, s. 13.

Notice to parties

14 The Director may give notice, by ordinary mail, to the parties to the order of the withdrawal of a maintenance order pursuant to Section 12 or the resumption of enforcement of a maintenance order pursuant to Section 13. 1994-95, c. 6, s. 14.

Enforcement of arrears

15 (1) The Director may enforce arrears of maintenance under a maintenance order even though the arrears were incurred before the order was enforceable by the Director pursuant to this Act or before the coming into force of this Act.

(2) The Director may refuse to enforce arrears incurred before the order was filed or before the coming into force of this Act where there is insufficient

or unreliable evidence to substantiate the arrears, to locate the payor or to identify and locate the assets of the payor.

(3) Where the Director refuses to enforce arrears, a recipient may apply to the court for an order respecting the enforcement of arrears.

(4) Where the payor or recipient disputes the amount of the arrears, the payor or recipient may apply to the court for an order determining the amount of the arrears.

(5) The court in determining whether to grant an application pursuant to subsection (3), shall make the determination on the basis of whether the decision of the Director pursuant to subsection (2) was in conformity with the provisions of that subsection and the court may remit the matter to the Director with such direction as the court considers appropriate as to the amount of the arrears, the location of the payor or the assets of the payor. 1994-95, c. 6, s. 15.

16 *repealed 1998, c. 30, s. 3.*

Application for approval of payment plan

17 (1) A payor may, at any time, apply, in writing, to the Director for approval of an arrangement with the Director, on terms satisfactory to the Director, that establishes a method of making the payments required by the maintenance order or providing security for those payments.

(2) Notwithstanding any approved arrangement made pursuant to subsection (1) or revised arrangement negotiated pursuant to subsection (3), the Director may, at any time, take any action that the Director is authorized to take to enforce the maintenance order that is the subject of the approved or revised arrangement.

(3) Where the Director is satisfied that the payor is not complying with the arrangement made with the Director pursuant to subsection (1), the Director may take any action the Director is authorized to take pursuant to this Act to enforce the maintenance order, including negotiation with the payor of a revised arrangement. 1994-95, c. 6, s. 17; 2016, c. 24, s. 7.

Payments made to or through Director

18 (1) Notwithstanding the requirements of the maintenance order, where a maintenance order is being enforced by the Director, the payor shall, subject to subsection (3), make all required payments to or through the Director.

(2) Money paid to or through the Director in respect of a maintenance order is not attachable pursuant to any other enactment.

(3) Notwithstanding the requirements of the maintenance order, where a maintenance order is being enforced by the Director, the payor shall make all required payments at the time and in the manner prescribed by the Director.

- (4) Money received by the Director may be paid to
- (a) the recipient or to the beneficiaries under the order to the extent of the recipient's or the beneficiaries' entitlement or otherwise pursuant to the maintenance order; or
 - (b) the Department of Community Services where money is owed to that Department pursuant to an assignment of maintenance rights agreement entered into between the recipient and a representative of the Department.

(4A) Where funds remain after the payment of money pursuant to subsection (4), the Director may pay from those funds the costs and fees of the Director and in the event funds remain after such payment, the balance then remaining may be paid to the payor by the Director.

(4B) Where a payor is in persistent arrears and funds remain after the payment of money pursuant to subsection (4), the Director may set aside and hold a portion or all of the remaining funds to pay future maintenance obligations arising from the maintenance order.

(4C) Upon the satisfaction of all future obligations arising from the maintenance order referred to in subsection (4B) and, where the Director continues to hold funds, the Director may pay from those funds the costs and fees of the Director and the balance then remaining, if any, may be paid to the payor by the Director.

(5) The Director shall keep a record of all payments that, while a maintenance order is filed with the Director, become due to the recipient and that are received and forwarded by the Director on account of a maintenance order filed with the Director.

(5A) Where the Director forwards to the recipient an amount to which the recipient is not entitled under the maintenance order, the Director may deduct that amount from subsequent payments received on behalf of the recipient.

(6) The Director may, on the request of the recipient, payor[,], court, prothonotary or officer of the court and upon payment of any fees prescribed by the Director, provide a statement showing the current status of payments under a maintenance order being enforced by the Director.

(7) The Director shall, on the request of the proper officer of a reciprocating jurisdiction or a court of a reciprocating jurisdiction, provide a sworn or affirmed, itemized statement with respect to a maintenance order, showing all amounts that have become due and owing by the payor before the date of the statement and all payments made to or through the Director by or on behalf of the payor during the same period.

(8) For greater certainty, where payments are being made to or through the Director, the maintenance order is deemed to be being enforced by the

Director for the purpose of this Act, notwithstanding that the Director may not be taking any other action in relation to that maintenance order. 1994-95, c. 6, s. 18; 1998, c. 30, s. 4; 2016, c. 24, s. 8.

Garnishment

19 (1) Notwithstanding any enactment, an obligation to pay money under a maintenance order may be enforced by a garnishment issued by the Director requiring that one or more income sources of the payor deduct the amount as specified in the garnishment from any monies payable to the payor at the time the order is served on the income source or thereafter due, or accruing due.

(2) A garnishment binds every income source served by the Director with the order, whether or not the income source is named in the order.

(3) The Director may include in the amount required to be deducted and paid to the Director pursuant to subsection (1)

- (a) any amount in arrears under a maintenance order;
- (b) where the payor is in persistent arrears, any amount for the payor's future maintenance obligations; and
- (c) any costs and any fees of the Director prescribed pursuant to this Act.

(4) The Director may serve a garnishment by ordinary mail addressed to each income source from whom payment is sought.

(5) The Director shall send a copy of the garnishment to the payor by ordinary mail at the last address of the payor as shown on the records of the Director.

(6) Failure to comply with subsections (4) and (5) does not render the garnishment ineffective. 1994-95, c. 6, s. 19; 2004, c. 40, s. 2; 2016, c. 24, s. 9.

Further provisions respecting garnishment

20 (1) Upon service on an income source, a garnishment binds all money then due and from time to time accruing due from the income source to the payor, in the amount specified in subsection (2).

(2) On service of a garnishment, the garnishee shall

- (a) hold the money then due and from time to time accruing due to the payor in an amount equal to
 - (i) the amount specified in the garnishment with respect to money accruing due during the thirty days immediately preceding the date of service, and
 - (ii) the amount specified in the garnishment, as each payment becomes due under the maintenance order; and

(b) provide the Director with such information as may be required in order to determine if the garnishee is making *bona fide* efforts to comply with the order.

(3) The garnishee shall forthwith pay to the Director, in accordance with the garnishment, the amount held pursuant to subsection (2).

(4) Where the amount of money paid pursuant to subsection (3) is insufficient to cover the amount then required to fulfil the amount specified in the garnishment, an amount equal to the difference between the amount that should have been paid and the amount that was actually paid is, for the purpose of this Section, to be added to and is considered to be part of the next payment due under the maintenance order.

(5) Where a maintenance order that is the subject of garnishment is varied after service of the garnishment, and the Director has been served by the court with the variation order

(a) a notice of variation in the form prescribed by the Director shall be served on the garnishee by the Director; and

(b) the garnishee shall, on service pursuant to clause (a), hold money due to the payor and pay to the Director in accordance with the notice of variation and in accordance with subsection (3).
1994-95, c. 6, s. 20.

Payment discharges garnishee

21 Payment made by the garnishee, pursuant to a garnishment, is a valid discharge to the garnishee against the payor to the amount paid or levied, notwithstanding that the judgment or order in respect of which the payment was made is later reversed. 1994-95, c. 6, s. 21.

Payments to Director

22 Until the income source begins deducting maintenance payments or where payments by an income source are interrupted or terminated, the payor shall pay the amounts owing under the maintenance order to the Director. 1994-95, c. 6, s. 22.

Notice to Director

23 Where an individual, corporation or entity served with a garnishment is not an income source of the payor, the individual, corporation or entity shall give written notice to the Director within ten days following receipt of the order. 1994-95, c. 6, s. 23.

Applications respecting income source

24 (1) The Director, the payor or the income source, individual, corporation or entity may bring an application to court to determine whether

(a) the income source has failed to comply with the order;

- (b) the individual, corporation or other entity is an income source;
- (c) money owed under the maintenance order has been paid.

(2) In an application pursuant to subsection (1), the court shall determine the issue and make such order as it considers appropriate in the circumstances, including an order for contempt. 1994-95, c. 6, s. 24; 1995-96, c. 28, s. 2.

Failure of corporate income source to comply

24A Where the court determines under Section 24 that a corporation that is an income source has failed to comply with a garnishment order, the court may order that the directors of the corporation are jointly and severally liable for payment of the money that the corporation failed to hold and pay to the Director. 2004, c. 40, s. 3.

Notice of termination or interruption

25 (1) Within ten days of the termination or beginning of an interruption of payments by an income source to a payor, both the income source and payor shall give written notice to the Director of the termination or interruption, together with such other information as may be required by the Director.

(2) Where notice has been given or should have been given pursuant to subsection (1),

- (a) the payor and the income source, within ten days of the resumption of payments that have been interrupted, shall give written notice to the Director of the resumption; and
- (b) the payor, within ten days of beginning employment with another income source or of becoming entitled to payments from another income source, shall give written notice to the Director of the new employment or the entitlement and of the name and address of the income source. 1994-95, c. 6, s. 25.

Employee protection

26 (1) A person shall not refuse to hire a person and shall not dismiss, suspend, lay off, penalize, discipline or discriminate against an employee for a reason relating to the issuing of a garnishment pursuant to this Act.

(2) Upon the application of an individual who alleges to have been the subject of a violation of subsection (1), the Supreme Court of Nova Scotia may, if it finds the allegation to be true, make any order in favour of the individual that it considers just, including an order for reinstatement and an award of damages.

(3) A person who refuses to hire a person or dismisses, suspends, lays off, penalizes, disciplines or discriminates against an employee in respect of whom a garnishment has been issued pursuant to this Act while the garnishment is

in effect or within six months after it has ceased to have effect shall, where an application is made pursuant to subsection (2), be required to show cause for such action, in default of which the action is deemed to have been in violation of subsection (1). 1994-95, c. 6, s. 26.

Garnishment order issued outside the Province

27 (1) On the filing with the Director of a garnishment or a document of similar effect that

- (a) is issued outside the Province and is directed to an income source in the Province;
- (b) states that it is issued in respect of support or maintenance;
- (c) states the amount of the support or maintenance due to the recipient; and
- (d) is written in or accompanied by a sworn, affirmed or certified translation into English or French,

the Director may serve the filed document on any income source of the payor to enforce the support or maintenance obligation.

(1A) Where a garnishment or a document of similar effect is served pursuant to subsection (1), the document is enforceable in the same manner as a garnishment issued pursuant to Section 19.

(2) A garnishment may be issued in respect of an income source that is outside the Province and shall

- (a) be signed by the Director;
- (b) state that it is issued in respect of support or maintenance;
- (c) state the amount of the support or maintenance due to the recipient; and

(a) enforce an obligation to pay money under a maintenance order including arrears; and

(b) where the payor is in persistent arrears, pay the payor's future maintenance obligations.

(2) Subject to subsection (3), where a deposit account in the name of the payor and one or more other persons is seized pursuant to subsection (1), the money to the credit of that account is deemed to be monies of the payor.

(3) Any person in whose name a deposit account is maintained along with the name of the payor, may make application, within sixty days of the seizure of the money, to the Supreme Court of Nova Scotia for an order declaring that some or all of the money in the said deposit account is in fact the property of that person and not the payor and not subject to seizure by the Director.

(2) A lien filed by the Director pursuant to subsection (1) binds the real property of the payor from the date the lien is registered until the maintenance order is discharged and all costs and fees owed to the Director by the payor pursuant to this Act have been paid and the lien has the same priority as a mortgage registered against the property.

(3) Notwithstanding subsection (2), a payor may apply to the Director or the court to have the lien released or vacated, as the case may be, and where the Director or the court, as the case may be, is satisfied that it is reasonable to do so, the Director or the court may release or vacate the lien. 1994-95, c. 6, s. 29; 2004, c. 40, s. 4.

Notice of maintenance obligation

29A (1) In this Section and Section 29B,

(a) “notice of maintenance obligation” means the data authorized by the regulations made pursuant to the *Personal Property Security Act* to be registered in the Personal Property Registry to effect a registration pursuant to this Act and, where the context permits, includes the data authorized to be registered to effect an amendment, renewal or discharge of a registration;

(b) “personal property” means personal property as defined in the *Personal Property Security Act*.

(3) The registration of the notice of maintenance obligation creates in favour of the Director a security interest in the personal property of the payor that is deemed to have attached to all the personal property of the payor and to have been perfected when the notice is registered in the Personal Property Registry.

(4) The security interest referred to in subsection (3) is a lien for the total of

(a) the amount that the payor is in default of payment under the maintenance order that accrued before the registration of the notice of maintenance obligation;

(b) the amount of any arrears of maintenance that accrues while the notice of maintenance obligation is registered; and

(c) all costs and fees owed to the Director by the payor pursuant to this Act.

(5) The security interest referred to in subsection (3) has the same priority as any other security interest that is perfected or registered for the total amount determined under subsection (4).

(6) Notwithstanding subsection (5), the security interest created by registration of a notice of maintenance obligation ranks in equal priority to any other security interest created by the registration of a notice of maintenance obligation, regardless of which was registered first, and the Director may prorate any money received in respect of any enforcement of the security interest among all the recipients or beneficiaries under each, unless the court orders otherwise on the application of the Director or a recipient or a payor.

(7) The security interest referred to in subsection (3) continues until it is discharged or the total amount determined under subsection (4) is paid, whichever happens first.

(8) Registration of the notice of maintenance obligation entitles the Director to all the rights of a secured party under the *Personal Property Security Act* and, upon registration of a notice of maintenance obligation under subsection (2), the Director is deemed to be a secured party under the *Personal Property Security Act*, the payor is deemed to be a debtor under that Act and the Director or a person designated by the Director may seize and dispose of the personal property of the payor in the same manner as a secured party may seize and dispose of collateral under that Act. 2004, c. 40, s. 5.

Effective period and discharge of notice

(5) Where the Director fails to comply with a demand made pursuant to subsection (4) within fifteen days after it is made or fails to give to the person making the demand an order of the Supreme Court of Nova Scotia confirming that the registration need not be discharged, the person making the demand may register the discharge.

(6) On application by the Director or payor or any other person with an interest in the personal property of the payor, the Supreme Court of Nova Scotia may order that a registration of a notice of maintenance obligation be maintained on any condition and for any period of time or may order that the registration be discharged. 2004, c. 40, s. 5.

(2) Before making a request pursuant to clause 30(1)(a), the Director shall send a notice to the payor by mail informing the payor that, if payor does not, within the time prescribed by the regulations, make an arrangement satisfactory to the Director for complying with the maintenance order, the Director may request the Registrar of Motor Vehicles suspend or revoke the payor's driver's licence, owner's permit, registration of a vehicle or permit or right to operate a motor vehicle and any other licence issued to the payor.

(3) Upon receiving a request from the Director pursuant to clause 30(1)(a), (b), (c) or (d), the Registrar of Motor Vehicles shall, as the case may be,

- (c) refuse to issue or renew a payor's driver's licence or owner's permit; or

(d) refuse to transfer or register the payor's vehicle,

and the suspension, revocation or refusal remains in place until the Director advises the Registrar that the arrears have been paid or the payor has made an arrangement satisfactory to the Director for complying with the maintenance order, at which time the Registrar shall rescind the suspension, revocation or refusal.

(4) Where a payor fails to comply with any term of an arrangement made with the Director and referred to in subsections (2) and (3), the Director may make a new request pursuant to subsection (1).

(5) The Registrar may grant the Director's request made pursuant to clause 30(1)(e).

(6) Where the Registrar grants the requested refusal referred to in subsection (5), the Registrar's refusal continues until the Director advises the Registrar that the arrears have been paid or the payor has made an arrangement satisfactory to the Director for complying with the maintenance order, at which time the Registrar shall rescind the refusal.

(7) For the purpose of subsections (3) and (6), the Director shall advise the Registrar immediately when the arrears have been paid or the payor has made a satisfactory arrangement with the Director. 2016, c. 24, s. 13.
