**Subject:** I am opposed to bill 60

I'm watching the proceedings now and ALL so far have MISSED THE POINT!

Let me list the issues I have with you so far:

vaping is an ALTERNATIVE to smoking cigarettes

eliquid does NOT contain tobacco

vaping is NOT smoking

the ecigs the underage are vaping are NOT sold to them by vape shops (they are from the corner store)

adults LIKE flavours

You WILL by taking away flavour in eliquid to FORCE people back to smoking cigarettes

WHAT is it about that, that you don't understand?

YES I am in favour of banning vaping in public places but I am NOT in agreement with eliminating flavours!

I, as an EX smoker am only an EX smoker BECAUSE of the ecig and the flavours

WHAT ABOUT THE ADULTS???
