Subject: I OPPOSE BILL 60
Attachments: ingredients.pdf

I am writing to let you know that I am opposed to bill 60

I have also taken the liberty of attaching an eye opening PDF.
A comparison of the ingredients in tobacco cigarettes & ecig eliquid.

You refusal to look at peer reviewed studies is astounding. Instead you choose to use anecdotal THEORIES provided by big pharma.

Open your minds and think about what you will do to the health of Canadians if this bill passes. You will be forcing (I repeat...) FORCING Canadians back to smoking.

For what? Revenues?
