**Subject:** Bill 100

Hello, as a member of NSGEU 88 and a 34 year employee of St. Francis Xavier University, I am writing to express my very strong objection to Bill 100. I am very concerned about how this Bill could affect my rights as a unionized worker and a member of NSGEU. I ask for your support to remove Section 8 and all references to it in this Bill.

Sincerely,

*Cathy Mason*
