

To The Law Amendments Committee:

I am a Teacher Assistant and have been working in the school system for 33 years. I have seen many changes in the way education is delivered. I can say that what is happening in schools right now is not working! I SUPPORT TEACHERS AND TEACHERS SUPPORT TEACHER ASSISTANTS! What teachers are describing in classrooms today is absolutely true! We are being physically, verbally, and emotionally threatened or hurt on a daily basis. NOT AN EXAGGERATION! The biggest losers in all of this are the students....ALL STUDENTS!

Stephen McNeil....LISTEN TO THE TEACHERS!

Mark Furey you should be ashamed...You are not supporting the voices of the people who elected and trusted you!

Suzanne Lohnes Croft you should be doubly ashamed! You are a Teacher Assistant...on a leave to be an MLA. You could be enlightening your colleagues.

THINK OF OUR STUDENTS...THEY TRULY ARE OUR FUTURE

Sincerely,

Christine Daniels
