Good afternoon

No to this bill as I paid for my land and wish no one have power over my land like a self interest groups maybe they can by my land then they can do as they wish when they own it Federal,provincial,and city personnel should not interact with special lobby groups and introduce bills that aren't for the better of all citizens not just the few in the special interest groups I can list off a few things only a small amount of the population will ever use

1 BIKE LANES

2 new art gallery

3 PEGGYCOVE BOARD WALK

4 CAT FAIRY TO PORTLAND

and I can go on maybe ask the whole population of Nova Scotia to vote on this bill4 as most of the land in Nova Scotia is already protected with multiple groups regulations.

I can list a few

ENVIRONMENT REGULATION

FISHIERS ACT

LAND CONSERVATION REGULATIONS

WETLANDS REGULATIONS

OFF ROAD VEHICLES REG

and I can go on so please vote no to this bill or make it only applies to the city as I live in the county and don't need anymore people,laws,bylaws,federal laws or anything else that takes my rights away,remember I paid for my land it was not free like these groups want to control our land they never paid for but they want to control my land for free without buying it from me Thx Brian Hatton
