To whom it may concern,

I am a 36 year old mother, who worked full time, travelled 4 hour daily commute for 4 years while I put myself through university while raising my children, to become an RN. I worked so hard to accomplish this to achieve my dream of owning property and having a hobby farm. I have successfully accomplished my goal and own 35 acres, I do NOT support this bill at all, and will do everything I can to stand against it.

Sincerely a very determined Nova Scotian
