**Bill #207
Electricity Act (amended)**

**CHANGES RECOMMENDED TO THE
COMMITTEE OF THE WHOLE HOUSE ON BILLS**

PAGE 1, Clause 2, proposed subsection 4FA(3) - delete and substitute the following:

- (3) The Minister may only approve an application made under subsection (2) if
 - (a) the hydrogen facility produces hydrogen using renewable energy;
 - (b) the Minister has gathered and considered input from local communities and stakeholders respecting the application; and
 - (c) the hydrogen facility meets the hydrogen innovation program requirements and conditions prescribed by the regulations.
-
