Law Amendments Committee:

What is wrong with our "elected" council members in Antigonish? The people of Antigonish Town and County have asked that our vote be considered re the amalgamation so why aren't we informed of the advantages for the taxpayers? Why aren't we told if this is a good move for us, or is it just going to benefit certain people who think they alone are running the show? If they would be transparent about this whole process and give us some answers, then maybe this wouldn't have turned into such a fiasco!

Shame on Mayor Laurie Boucher and her entourage for throwing Antigonish under the bus!!

I hope you, the law amendments committee will at least give the taxpayers some say in this matter.

Sincerely,

Marion Stewart-MacDonald
