Functions of Standing Committees

60(2)(c) the Human Resources Committee is established for the purpose of

(i) considering matters normally assigned to or within the purview of the Departments and Ministers of Education and Culture and of Labour,

(ii) reviewing and approving or not approving candidates for appointment to agencies, boards or commissions where the Governor in Council has, pursuant to an enactment, the sole discretion to make the appointment or where the Governor in Council makes the appointment by choosing from a list of nominees provided to the Governor in Council pursuant to an enactment,

(iii) reviewing and approving or not approving ministerial appointees to agencies, boards or commissions where, pursuant to an enactment, Governor in Council approval is not required, and

(iv) for purposes of greater clarity and certainty, the Committee shall be guided by the terms of reference set out herein and which form part of this Rule;

TERMS OF REFERENCE

Terms of Reference in Reviewing Agency, Board and Commission Appointments:

Where Governor in Council approval is required for an appointment to an Agency, Board or Commission, after consideration by Executive Council of a person recommended for appointment to an Agency, Board or Commission, the Clerk of the Executive Council shall submit the name of the person to the Human Resources Committee, on Form "A".

2. Prior to making a Ministerial appointment to an Agency, Board or Commission for which Governor in Council approval is not required, a Minister shall submit the name of the proposed appointee to the Executive Council for consideration. Where the Executive Council recommends the name, the Clerk of the Executive Council shall submit the name of the person to the Human Resources Committee.
3. Committee members shall review the name submitted for approval having regard to qualifications of the individual, affirmative action concerns and, where relevant, the regional representativeness of the Agency, Board or Commission.

 - (a) appointments of provincial public or civil servants by virtue of their employment (i.e. the Deputy Minister of Finance is an unpaid member of the Lotteries Commission);

8. Meetings of the Committee shall be open to the public unless the Committee by majority vote determines to meet in camera.
9. The Committee shall meet at least once a month every month of the year irrespective of whether the House of Assembly has been prorogued.

10. The Committee shall approve or not approve recommended candidates on the basis of a simple majority.
11. The Committee shall make recommendations with respect to every name submitted by Executive Council on the day it appears on the agenda unless a majority of members agree to defer a recommendation to the next meeting.

AGENCIES, BOARDS AND COMMISSIONS PROCESS

During the First Session of the Fifty-Sixth General Assembly (1993), an amendment was made to Rule 60 of the *Province of Nova Scotia Rules and Forms of Procedure of the House of Assembly*. This amendment increased the mandate of the Standing Committee on Human Resources. The Committee has been assigned responsibility to review potential appointments to nearly all government Agencies, Boards and Commissions (ABCs).

Appointment Process

There are two ways in which an appointment can be made to an Agency, Board or Commission. They are as follows:

- i. **Order in Council**
Order in Council appointments require both the Executive Council (Cabinet) and the Lieutenant Governor's approval.
- ii. **Ministerial**
Ministerial appointments are made by the Minister responsible for the Agency, Board or Commission. The appointments are forwarded to the Executive Council (Cabinet) for review.

Since 1993, the Human Resources Committee has been assigned responsibility to review both forms of appointments. The only appointments that the Committee will not consider are those excluded by Rule 60(2)(c)(iv)5(a-d) of the mandate contained within the *Province of Nova Scotia Rules and Forms of Procedure of the House of Assembly*.

Agencies, Boards and Commissions come in different forms, ranging from advisory bodies to arms-length Crown corporations, and have different roles, mandates, authorities and jurisdictions.

Number of Agencies, Boards and Commissions

There were 167 active Agencies, Boards and Commissions in 2012. There are approximately 900 people appointed to ABCs at any particular time. In accordance with the objectives of the government to reduce the number of Agencies, Boards and Commissions, there has been a reduction related to inactive or unnecessary Agencies, Boards and Commissions.

Remuneration

The remuneration for Agencies, Boards and Commissions' members varies among different boards. For example, the Public Accountants Board pays \$500 per meeting plus travelling expenses; the Regional Health Boards only compensate for expenses.

Bulk Advertisement

Once every six months a list of upcoming vacancies for all government Agencies, Boards and Commissions is generated. These vacancies are advertised through Communications Nova Scotia according to the Standing Committee on Human Resources' advertising policy (July 23, 1998). In addition, the departments can place ads for individual ABCs when required.

DEPARTMENT SCREENING PANELS

Once the individual applications are forwarded to the department, the screening panels are consulted. All appointments, even those people being reappointed to a board, must go through the screening panel process. Screening panels are appointed by the individual Ministers to screen all applicants to ABCs to ensure that all candidates are chosen in a fair and equitable manner.

The screening panels are to be made up of volunteers from the community. The members of the screening panels need to have technical expertise, they should represent the stakeholders of those particular ABCs which they oversee and there should be some regional representation within the panel, where appropriate.

The mandate of the Screening Panels, as established by the Executive Council, is as follows:

Screening Panels

Screening panels were established as a matter of discretion. The purpose of screening panels was to establish a mechanism to determine qualified candidates for appointment to ABCs to assist Ministers in the selection of candidates to fill vacancies on ABCs.

Screening panel members are selected by Ministers on the basis of experience in the area of concern to the department, having regard for expertise, regional representation, gender, racial and other affirmative action considerations. Departmental staff assist the Minister in recruiting screening panel members.

Once the screening panel has approved a candidate, his/her application is entered into a pool of candidates from which the Minister may select applicants for appointment. The signed paperwork is then forwarded to the Clerk of the Executive Council. The applications are sent to the Cabinet prior to being sent to the Standing Committee on Human Resources.

Once Cabinet approval is obtained, those applications that the Human Resources Committee is mandated to approve or not approve are sent to the Legislative Committees Office and placed on the Standing Committee on Human Resources' agenda.

The material is received no later than the Friday, eleven calendar days prior to the scheduled Human Resources Committee meeting. The material is copied and distributed to all Committee members on the Tuesday, one week in advance of the meeting, as dictated by the *Province of Nova Scotia Rules and Forms of Procedure of the House of Assembly*.

If the appointments are approved, the material is returned to the Executive Council Office. If the appointments are not approved, the material is also returned to the

Executive Council Office, whereupon it will be returned to the appropriate department with a letter explaining the circumstances surrounding the rejection.

See Appendix A for the list of all the appointments to Agencies, Boards and Commissions that have been approved, not approved, stood or withdrawn by the Standing Committee on Human Resources from September 2011 to August 2012.
