My constituency office is not Barrier-free

I confirm that my constituency office is not compliant with the barrier-free requirements. I understand that I can continue to occupy the non-compliant space only on a month-to-month basis for a maximum of 12 months and that I must set out below my plan to render the space compliant with the barrier-free requirements during the 12 month-to-month period. My office is not barrier-free for the following reasons:

We are requesting a technical waiver on the basis that we have ordered a visable alarm from Wilson's security and are currently waiting for an installation date.

I intend to do the following to remedy the non-compliant reasons listed above
